**Dear Colleagues in the industry,**

The Indonesia National Air Carriers Association (INACA), which is the official association for 34 airline members in Indonesia, is proud to welcome you back to the **4<sup>th</sup> Indonesia Aviation Training & Education Conference (IATEC) 2018**, which will be held on the **21<sup>st</sup> - 22<sup>nd</sup> March 2018** at the Grand Mercure Hotel Jakarta. This event will be produced and organised by Avcon Group.

In May 2016, INACA hosted Indonesia's 3<sup>rd</sup> Aviation Training & Education Summit and Expo called IATEC 2016, which brought together more than 300 high level delegates and 20 leading sponsors/exhibitors. After 3 years, INACA will again host the IATEC 2018 event which will focus on timely and important topics on Human Resources for pilots, aircraft technicians, ground handlers, airport executives, air traffic controllers and other aviation related fields in Indonesia. One of the main objectives of this event is to discuss how key industry players can work together to meet Indonesia's future needs for skilled aviation professionals for all sectors.

On behalf of the organizing committee, I would like to welcome you to **IATEC 2018** and look forward to your support in building the future growth of Indonesia's aviation industry.

**Tengku Burhanuddin**  
Secretary General  
**Indonesia National Air Carriers Association (INACA)**
